Dear Sirs,

I should like to obtain some information regarding the "George Washington Bi-Centennial $2.00.00 Gold-Piece" - one dollar for each year.

I understand that it is still be about the size of the Venetian 100-sequin "gold-piece" and a veritable "jumbo-piece".

The proposed International or Pan-national Coin (10)-Troy-ounce or 311.+ metric-gram (net contents of fine metal) gold-piece is also of this size.

Thanking you, I am

Yours very truly,

John Lonke
